SHREWSBURY HIGH SCHOOL
64 HOLDEN STREET
SHREWSBURY, MA 01545
AT A GLANCE 2012-2013

Letter from the Principal...

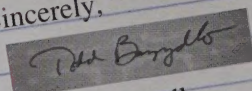

Dear Members of the Class of 2013:

As I reflect upon the last four years, I cannot help but become nostalgic thinking back to our first meeting together-you as incoming freshmen and me as your grade administrator. During your time here, I have had the distinct privilege of a front row seat to watch you grow and develop into young adults who are ready and willing to take on any challenge. Over the course of your four years at SHS, you have undoubtedly experienced a myriad of emotions ranging from absolute bliss to genuine distress. Collectively, all of these experiences have helped you develop the resiliency necessary to overcome obstacles that you will certainly face in your life beyond high school. I am proud to have witnessed you demonstrating empathy and compassion toward those less fortunate, and watched how you developed positive, constructive relationships with your peers and teachers. The ability to effectively communicate with a variety of constituencies will serve you well in the future. I have also thoroughly enjoyed watching you perform in the classroom, on stage, competing in athletics, or as a "Superfan," and through all of these experiences you have demonstrated what it means to be a true "Colonial" by exhibiting our core values of life-long learning, equity, advocacy, dedication, empathy, respect and responsibility. I further believe that your experiences here at Shrewsbury High School will be forever with you and these experiences will positively contribute to your development while setting a strong foundation for the greatness in life for which you are capable of achieving.

As Principal, I am proud of all of your accomplishments, but most of all I am proud of your growth and the example you have set for the rest of our school and community. You have consistently demonstrated respect, responsibility, and dedication to service, and these actions will continue as part of the legacy of the Class of 2013. Collectively you have accomplished a great deal and have set very high expectations for future senior classes.

As you move into the next phase of your life, you will need faithfulness, honesty, resolution, humor, and courage to succeed in life's endeavors. I am confident that Shrewsbury High School has prepared you well for life beyond our walls and community. I wish you all the best and remember to stay true to yourself and let your values and work ethic serve as your compass in life.

Sincerely,

Todd H. Bazydlo

The time has FINALLY arrived! Graduating from SHS and heading off to college. As you start a new chapter of your life, know we will always be here to love and support you. It was so long ago when you would pass Mom in the halls at Coolidge with that "look" in your eye and a little wave. You couldn't wait to get to 5th grade so you could have independence. You loved this about 5th grade and as a senior you still have the same self-reliant attribute. You have your own thoughts, ideas, and views on how to do things and aren't easily swayed. Being true to who you are will be a large part of your future success. You have always loved an audience. From your first performance as Baby Jesus to your last as Grace, and every role in between, the stage has brought you great pleasure. The very best in you can be seen when you are performing. Watching you act, sing, and dance has given us more enjoyment than you'll ever know!

Nick Andreano - We love you!

Mom, Dad, Rick, Allie, Kristal, Meg, Rae, Sid

We are so proud of you! How your performances have delighted us all as your talents have soared these past four years - now bring them to the world. You are amazing!

-From the Shrewsbury High School Yearbook Staff

Abbey & Julia

Thank you for being the best senior editors that the yearbook staff could have ever asked for! You have such dedication and passion for the yearbook and over the last four years have made the yearbook the absolutely best it could be. Without your leadership, planning, and infectious personalities, meetings in MIO4 just wouldn't be the same. You helped the staff stay (relatively) sane, but still helped us do our absolute best. The personal touches you have added throughout the book make it one of the most unique we have ever made, truly reflecting the great senior year that you will want to remember forever. We can't thank you enough and will miss you immensely next year!

Love, The Yearbook Staff

Thank you to our

WONDERFUL

advisers!

Ms. Siagh and Ms. Early,

At the beginning of the year, the staff was utterly lost until you two swooped in, *saved* us (with organization and enthusiasm!), and guided the book to success. Throughout the long hours, Saturday meetings, countless emails, and frantic page issues, you two have inspired us with your endless determination and humor. We hope that you have enjoyed leading the staff as much as we've LOVED having you!
